

Name: Peter Legg  
Date of Birth: 11.10.1983  
Mobile: 0772 445 1182  
Email: peterlegg.id@gmail.com

Currently working for FWT designing innovative outdoor products and garden furniture. Perhaps my greatest experience has been an exchange to Milan, where I was immersed in the world of international design. While working at a leading design consultancy Native Design, I was able to strengthen and utilize my skills working with clients such as Jaguar and Bowers & Wilkins. Featured in Blueprint magazine, where my work was hailed as 'highly engineered and beautifully produced' by the senior writer, Peter Kelly.

Qualifications:

2006 - Industrial Design Ba (hons) 2.1
